

WHY ARE MORE SCHOOLS SWITCHING TO CORE?

- 1 "The CORE team was incredibly helpful during our transition. CORE exceeds our last system in every way."
- 2 "Our previous vendor had a 3-day wait for support. CORE always answers right away!"
- 3 "The reporting data was invaluable throughout the accreditation process."
- 4 "The ease of CORE's SmartMatch Scheduling process takes the burden off of our department."
- 5 "With CORE we can create customized reports, requirements, & schedules exactly to our needs."
- 6 "My favorite thing about CORE is the ability to give suggestions to the development team & actually have them made!"
- 7 "The greatest benefit of CORE is the customization capabilities & the level of personal client support offered."
- 8 "I love how open the CORE team is to user suggestions & client input."
- 9 "All important information is stored in one local place that all faculty, preceptors, & students can easily find."
- 10 "CORE gives us the ability to match students effortlessly."
- 11 "Our previous software was an outdated system that was not customizable. CORE is a huge upgrade for us!"
- 12 "CORE is extremely user friendly & intuitive. Communication with students & preceptors is easy!"
